

2018 - 2019

For the safety of our Buddy Werner kids we do background checks on all coaches. The information provided on this form and any search results will be kept confidential. Any information found in any check that rises to the levels set by the Board of Directors will be discussed by the Board, but before any background information is disclosed to the Board, you as the Coach will be called and you can discuss any findings or refuse to let the information be disclosed to the Board. If you do refuse the Board will discuss the matter without the information.

Please provide all information and please print legibly! This data must be entered into a computer system and each search that is returned due to illegible entries (such as middle initials written poorly that we have to guess at) cost BWL and hurt the program.
