WELCOME!

Each season Vail/Beaver Creek BWL has up to 300 skiers in the program and over 50 volunteer coaches. Our coaches' focus is always on safety, etiquette (on and off of the mountain), an introduction to racing, an overall knowledge of the mountain / skiing, and FUN! Being a coach with BWL can be an incredibly rewarding experience; the board of BWL developed this handbook to provide you with information and resources to ensure that the coaches have the tools for a successful season. Without you, this program could NOT exist. The coaches in the program are the backbone of BWL and are very much appreciated. There may be times during the season that you will have frustrating experiences; we want you to know that we as a board and staff are always here to back you. Please come to us with any issues that you may have-whether it be with a child a parent or a fellow coach/volunteer. We want this to be a fun and rewarding experience for you as much as the skiers.

This year will look very different due to the COVID-19 Pandemic. We are so fortunate to have a program that will operate only slightly differently this year to keep our skiers safe. We have created a COVID-19 Standard Operating Plan that is also available on our website with more information. Facial coverings must be worn at all times by all BWL participants during the BWL day. Also coaches will be asked to remind skiers of the "5 commitments of Containment" as well as coughing etiquette. All COVID-19 changes are in the handbook in Red.

Again, THANK YOU!

2020-2021 Season Calendar

PROPOSED Dates for the upcoming season are:

- Registration Online beginning October 21 through October 27 on the Active Program site.
- Testing Day December 19th for all new skiers to the program. Meeting time and place will be emailed a few days prior but will fall between 9am and 12pm and will last approx 1-hour. Coaches will not be required to attend this year due to our group restrictions.
- Contact Days January 3rd, 10th, 23rd; February 7th, 13th and March 14th - Final day of BWL/Coaches Race. Additionally some teams have chosen to meet on some Wednesdays to help BWL spread out our teams due to the COVID-19 Pandemic.
- Race Days January 31, February 21 and February 28.

The BWL Western Slope State Championships will be at Beaver Creek on March 7. See page 9 for more information.

Coaching Information and Requirements

Without our coaches, the Buddy Werner League wouldn't exist! Your dedication and commitment to the league are essential to our success. We provide basic ski skills and race training annually for all of our volunteer coaches and require that our coaches have a passion for skiing. In addition to training, BWL provides a lift ticket on contact days to coaches without lift passes and a discount off Registration. Finally, a BWL Coaching jacket will be assigned to each coach and it is imperative that this is worn for every BWL ski day.

Buddy Werner League coaches MUST meet and complete the following qualifications:

- Skier Level of 6 or better (unless coaching a group of a higher level)
 - Attend Coach training – Off-Snow (Nov 17; 6pm via Zoom) and On-Snow (Dec 19; 12 - 3)
 - Pass a background check
 - Coaches MUST be able to coach on all contact/race days.
 - Each season, all coaches will have to complete a youth concussion course to comply with C.R.S. 2543-101 through 103. Several courses are available free online at:
<https://www.cdc.gov/headsup/youthsports/training/index.html>
- **Other courses may be available.
- USSA Level 100 courses may also be available to BWL coaches in early season.
 - BWL has created a Coaches Resource page on our website for you to use for skills and drills. Please check it out and let BWL know if additional skills info should be added.

Your Team

Skiers are grouped by skier level, age and friend requests. **Due to COVID-19, teams will be 1 coach to 6 skiers this year. BWL cannot have groups bigger than 7 together on the mountain. Please be respectful of this and if another BWL group gets to a chairlift at the same time, please give each team at least 10 feet of space. Also ALL participants must wear facial coverings at all times. Finally, BWL skiers may only ride the chair lift with members of their families or their team.**

Some of our BWL teams are at capacity and have skied together for many years. Other teams are incomplete and will be completed after our new skier Testing day. **On a typical year, new coaches and coaches of incomplete teams are required to attend testing day on December 19th between 9 and 12. But this year the BWL Board is limiting the number of people present at this time so with the help of our testers BWL will assign new skiers based on tested levels. The idea behind this is for coaches to assess what skiers would work well with their groups. This will also be a time to match you up with another coach if you do not have a co-coach.** Our idea in BWL is to do the very best we can in putting a team of skiers together with similar ages and ability levels. This is not always a perfect science; especially considering the assessment day may be a child's first day on skis for the season. We ask that you be patient through the process and even be patient with a skier that may not be the "perfect" fit for your team. Obviously, if a child ends up on your team that is just not going to fit at all, we ask that you identify that sooner than later so we can make the transition to another team as painless as possible. After the assessment process is complete, we will get you a complete list of your team so that you may contact the parents of the skiers on your team.

Teams need to stay together during the BWL ski day. If your team is split between racing/terrain park/trees/etc. please split your day plan rather than your team. Acting as a team and staying together is an important part of being in BWL.

Again this year, BWL will be hosting a team competition based on the overall race times of the team. The week after each race, a BWL TOPS sticker will be provided to the team with the fastest race times.

Communicating with your team

As soon as your team roster is complete, we ask that you communicate with your parents via e-mail or a phone call. **Each coach will be responsible for communicating with their team of 5 or 6 skiers and Junior Coach.** BWL will provide a template each week for you to use in your emails. Please reach out to your returning team in early December to welcome everyone back. We recommend that the first communication is by phone, but we do understand that we are all busy and email may be easier. **Please**

plan to e-mail your team prior to 5pm Friday each week BWL meets. BWL will provide a weekly e-mail template for this purpose. Your initial email/phone call should include the following information:

-Coaches' names and phone numbers/email addresses

-You will receive a spreadsheet with all of your skier's info. Please confirm this info for each skier to make sure it is all correct-especially phone numbers and age of each skier as of 12/31/20. If their age is incorrect and they post a result as the incorrect age, they will not be given an award for either age category - PLEASE CHECK EACH CHILD'S AGE AND LET THE ADMINISTRATOR KNOW IF IT IS WRONG ASAP.

-Meeting time and place for first day-and pick up time and place for first day. It's recommended that you use the same plan all year to make it easy for parents to find you. **For 2020, BWL's pick-up will be at the Bear Lot between 8 and 8:30.**

-Reminder of what each skier needs to bring to BWL:

- **Facial Covering! Bring 2!**
- Ski pass - If the child shows up to BWL without their pass, they will be taken to the table parent and their parent will be called. It will then be up to the parent to help the child get a new pass and reconnect with his/her team. Older skiers can do this on their own.
- Appropriate clothing, helmet, eye protection, and WARM mittens/gloves.
- Snacks. **Lunch later in the season when it's nice enough to eat outside**
- Please remind parents that kids should come ready to ski (with boots on). Remind them to label all of their child's gear and make sure it is all in proper working order and fits properly. There will be no gear storage this year.
- If a child shows up missing any of the above items, please bring them to the BWL Info Table and the table parent will contact the parent to either pick the child up or bring the item to the child and then make arrangements to meet the team on the mountain. We do not expect an entire team to change their plans for a child that has forgotten something or is late. It is up to the parent to meet up with the team wherever the team may be on the mountain.
- Race bibs - will be ready for you on the first day. The numbers are specific to each racer and it is up to you to make sure each child gets the correct bib number based on your team cards. The bib is for each racer to keep (and personalize if they would like). **Skiers 6th grade and below are REQUIRED to wear their race bib EVERY DAY of BWL-not just race days. 7th & 8th Graders may wear the Official BWL Jacket or the race bib for non-race days.** First and foremost this is for safety reasons as well as to provide our sponsors with the advertising exposure they paid for. Their sponsorship dollars are essential to our being able to provide an affordable program. It is also imperative that racers wear their bib on race day as skiers race in bib order. **NO BIB, NO RACE!**

Weekly emails will be sent to all coaches from the BWL Administrator. Please share the info in these with your team each week.

What coaches need to bring:

• **Coaches-all of the above, plus** – Your BWL jacket, team list with parents emergency phone numbers, board members’ phone number card, and your team sign in/out cards. Optional items include: hand warmers, Chum (goodies), hot chocolate packs, Kleenex, goggle wipe, and money for a beer for after your day is done! BWL will provide lift tickets to coaches who don’t have a lift pass.

Meeting Locations and Times

For 2020/21, Buddy Werner League teams will meet at the Bear Lot between 8 and 8:30am. BWL parents will park and walk their skiers to the bus stop area. Older children can be dropped off away from the pick-up area. Express busses will bring skiers to the Landing for access to the Lower BC Express (Chair 15). BWL recommends using your car to store gear.

On the first day, All Coaches need to pick-up bibs at the Bear Lot. Please meet your team members at the Bear Lot on the first day. There will be no gear storage. Coaches please show up for the first day 15-minutes prior to your meeting time to prepare for your team’s arrival. It can be HECTIC, and it helps to be prepared.

For all other contact and race days, please note schedule outlined below.

| <u>Day</u> | <u>Drop Off</u> | <u>Pick UP</u> |
|-----------------|-----------------|------------------------|
| Regular Ski Day | 8:00AM – 8:30AM | 12:30PM / TBD by coach |
| Race Day | 8:00AM | 2:30PM / TBD by coach |

Pick-up options are still being set. Please stay tuned on this. Wherever you choose to meet for pick-up or drop off, PLEASE COMMUNICATE your plan very clearly with your parents. It is very difficult to try to match up 300 kids to their parents if they have no idea where to find you. Also, please do not leave your skiers unattended at the end of the day.

Lunch

BWL is recommending that teams ski a shorter day as not to need lunch OR to eat lunch outside. There will be new outside areas to accommodate this on the mountain. All mountain dining options are operating at a 25% capacity so reservations will be very hard to get. Also eating outside has proven to be safer during the pandemic. If team must eat inside, a reservation must be made and lunch must be paid for with resort charge or credit card. No cash will be allowed.

All participants must wash their hands after eating or using the restroom in an effort to stop the spread of COVid-19

Remember, Vail Resorts and Beaver Creek make it possible for us to continue the existence of BWL. We expect our skiers to be ambassadors of the resort and BWL and always on their best behavior. As noted in the parent handbook, behavior deemed unacceptable by the board will not be tolerated and will be dealt with accordingly. Please help to keep your team under control and make sure to help your team clean up after themselves when they are done.

Expectations

Yes, we are all here to have fun; however, as mentioned above, it is a privilege, not a right for us to be at Beaver Creek as a very large and imposing group. Vail Resorts provides us with many resources that allow us to continue the existence of BWL. Therefore, we expect the best from our skiers and volunteers. Some rules we expect our skiers to follow:

- In-control behavior during drop-off/pick-up-no snowball fights, etc.
- In-control behavior at all dining establishments
- In-control behavior at all times while skiing
- No foul or obscene language will be tolerated. EVER.
- No drinking or smoking by coaches while training with Buddy Werner Skiers.
- **Lift Line etiquette** -ALTERNATING in line is VERY important. Please teach your skiers the proper way to alternate and make sure they are doing it.

Training Days

Training days are limited to 75 skiers per venue (or whatever current COVID-19 restrictions are for outdoor events) venue and advance sign-ups will be needed. On designated days throughout the season, training courses will be available to all teams on Bear Trap in Beaver Creek or on Gunderson trail in Bachelor's Gulch. Teams are encouraged to take advantage of training on the practice course. Coaches will be notified at the beginning of the season of the designated days.

Proposed Race Training days are: 1/10; 1/23; 2/7 and 2/13. This is subject to change. Please refer to the Schedule page on the website for updates.

Race Day Information & Schedule

This is the day that all our skiers look forward to! Race day is an exciting and fun day for all our skiers and it takes a lot of careful management and assistance to run our skiers thru the course 4 times. There are many moving parts to a race day that includes not only skiers but also many volunteers. Below is an outline of the day and some important racer and volunteer information. All BWL races take place on Bear Trap.

Schedule

Due to our new meeting area, this is all still being configured. This is ALL subject to change.

- | | |
|-------------|---|
| 8.30am | - Teams board Centennial. |
| 8.45am | - Race Volunteers check in with a Board members. Location TBA. - Volunteers performing the following jobs: gatekeepers, starters, etc. <i>are required to attend this meeting to review their responsibilities and the day's schedule.</i> |
| 8:45-9.45am | - Course Inspection - all teams are required to inspect both courses together prior to race 1. |
| 9.45am | - All racecourse volunteers (gatekeepers, starters, timers, scoreboard etc) should be at their assigned location on the course - Racers Begin to line-up |
| 10:00 am | Race 1 start. Since we are only racing 75 kids, it will go very fast. Please be at the start ready to race at 10:00. BWL will be running races in bib order for all races. Racers will do 2 races on red and 2 on blue. |
| 11:00am | Race 2. Same as above except course assignments are opposite. |
| 12:00pm | Race 3. “ |
| 1:00pm | Race 4. “ |

No Awards Ceremony or Scoreboards due to COVID-19 restrictions.

Race day rules and regulations

***No athlete will be allowed to participate on race days until all waivers have been signed, turned in and approved and racer has their assigned, current year bib on!

BWL is limited to 75 racers per day (or whatever current COVID-19 restrictions are for outdoor events) and sign ups for the races will be done electronically. Age groups will race together. Dates TBA. As stated above, racers will run in bib order. BWL will run all races in bib order on each day. Start lists will be available the morning of each race on <http://www.live-timing.com/>. This website will also help you gauge when your group's start will be, because it is live. A good rule of thumb is to figure that 4 racers go each minute. Please arrive at the start at 10, 11, 12 and 1 for your race start.

USAA Rules

BWL will use USSA rules as a guideline. These rules are subject to change.

Helmets:

- Our contract with Vail Resorts requires that all competitors, coaches, forerunners, course workers and anyone within the race arena must wear a helmet for official training as well as for the race. For the safety of all of our skiers, BWL recommends that skiers use helmets that are 2 years old or less. **Go Pro Cameras are NOT allowed in BWL Races.**

BWL Race Bib

- We expect our BWL skiers to wear their assigned 20/21 BWL race bib every day of BWL. It is imperative that racers wear their bib on race day as skiers race in bib order. **NO BIB, NO RACE! If a skier skies in the wrong bib, they will be DQd.**
- If a BWL bib is lost, a replacement bib will cost \$25 before the first race and \$35 after the first race. If a BWL bib is lost, please contact Beaver Creek Lost & Found. If not found, please contact the BWL administrator so a new bib can be assigned.

Race Arena

- **All athletes are required to inspect the racecourse prior to the start of the race. The competitors with their coach will be allowed on BOTH courses for inspection between 8:30-9:45.** This inspection is a side slipping inspection only – NO SKIING PLEASE.
- When teams arrive in the race arena, please store all skis and poles along the fence above the start line. PLEASE do not block the entrance of the race arena or the start area.
- Teams must be 6 feet from all other teams while at the start or the finish.
- During inspection skiers may NOT ski thru the finish
- For access to the course during inspection, all competitors must have bib showing and all coaches must be with their group.
- There is NO free skiing in the race arena
- **There is NO SKIING, HIKING, etc. in the SNOWMOBILE lane skiers left on Bear Trap,** parents may stand or hike outside of the race arena only **and be 6 feet apart, wearing facial coverings at all times.**
- There is NO public access to the race course
- Spectators may NOT go down the race course at any time
- All course slippers are required to exit the racecourse BEFORE the finish line (skiing through the finish line at any time during inspection is NOT allowed and can cause your team to be disqualified.
- If there is heavy snow on a race day, coaches will be given specific instructions and it is possible Beaver Creek Race Dept may cancel the race for safety reasons.

Disqualifications:

A competitor will be disqualified if he/she:

- Skis from one course to another
- Fails to make proper passage around all of the gates on their course. (No hiking is allowed)
- Receives outside help during the competition (If athlete falls and someone helps the athlete back up, with no loss of equipment)
- A parent skis next to their athlete to the finish or crossing the finish line with the athlete.
- Loses a ski more than two gates above the finish line is considered a clear disqualification. The competitor may not continue on the course.
 - The exception to this disqualification is if the athlete loses a ski one–two gates above the finish, the athlete will be allowed to cross the finish line and a time will be awarded
- Finishes the run on the wrong finish line.
- If a skier faults, he may not continue through the finish line.

***In case of a fall between the last gate and the finish line, the time is taken when a part of the competitor's body or equipment stops the timekeeping system

Following each race (morning/afternoon), disqualifications (DQ) will be texted to all coaches as soon as all gate judge scorecards are in. Once the DQ list is shared, 15 minutes will be allowed for the DQ to be challenged (protested); after this time the disqualification will stand as posted. A board member will be placed at the start of the racecourse and/or in the timing building. A board member may only accept a protest if it is based upon physical evidence or eyewitness testimony and new evidence exists that relates to the disqualification.

Rules of Re-Runs

Prerequisites

- Any competitor who is obstructed while racing must stop immediately after the incident takes place, exit the racecourse and NOT continue through the finish.
 - The competitor would make his/her way to the finish line along the side of the course.
 - The Competitor must apply to a board member for a rerun. Board members are located at the finish area or in the finish timing building
- Provisional re-runs will be given if, in special situations (e.g. in case of a missing gate, failure of the timekeeping system or other technical failures), the board may order a rerun.
 - Grounds for interference
 - Blocking of the course by an official, a spectator, an animal or other obstruction
 - Blocking of the course by a fallen competitor who does not clear the course quickly enough
 - Objects in the course such as a lost ski pole or the ski of a previous competitor
 - Absence of a gate knocked down by a previous competitor that has not been promptly replaced
 - Other similar incidents beyond the will and control of the competitor
 - Validity of a re-run
 - If the competitor was already disqualified before the incident entitling him to a re-run, the re-run is not valid
- The provisional or subsequently approved run remains valid even if it proves slower than the previous run.
- Start time of the re-run
 - The start referee will insert the re-run competitor into the already established start times once the competitor is ready.

Disqualifications/Protests:

Following each race (morning/afternoon), disqualifications (DQ) will be texted to coaches as soon as all gate judges' scorecards are in. Once the DQ list is texted, 15 minutes will be allowed for the DQ to be challenged (protested) by a coach; after this time the disqualification will stand as posted. A board member will be placed in the timing building. A board member may only accept a protest if it is based upon physical evidence or eyewitness testimony and new evidence exists that relates to the disqualification.

Gate judge importance:

- The gate judge is to follow the instruction of the board
- If a competitor does not pass a gate correctly the gate judge must immediately and clearly mark the gate keeper card with the following:
 - The bib number of the competitor
 - The gate number of where the fault was made
 - A drawing of the fault committed is essential
- The decision handed down by the gate judge must be clear and unbiased.
- The gate judge must also observe that the competitor accepts no outside help (in case of a fall)
- A gate has been passed correctly when both the competitors ski tip and both feet have passed across the gate line.
- If a skier stops or loses continuous motion at any time, they will be a DSQ and the judge will note their bib # on the card.
- If the competitor loses a ski, the competitor will not be allowed to continue and the gate keeper will note this on the card as a DNF
- The gate judge must declare a fault only when he/she is convinced that a fault has been committed
- The gate judge can consult the adjacent gate judge in order to confirm his opinion; he/she can (if time allows) quickly check the race line to see tracks on the course.
- When an adjacent gate judge or a member of the board makes a report concerning a competitor, which differs from the notes of the gate judge in question, the board may freely interpret the notes in view of a possible disqualification or a protest.
- A gate judges that has a fault on their card will be required to explain the fault to the head gate judge or a board member at the finish building. Gate Judges - Please do not leave the race arena until your card has been reviewed and accepted by a board member.
- The competitor is fully responsible for his/her actions and must respect the gate judge's final decision.

Race Format

- BWL will be running TWO separate races each race day. Age group awards will be given for both runs. Age grouping align with USAA Races and other BWL clubs. They are:
 - U8 (7), U10 (8 - 9 yo), U12 (10-11yo), U14 (12-13yo) and U16 (14-15yo). All based on age as of December 31st of that year. U14 and U16 will be scored as one age group.
 - BWL does not allow 6-year old skiers to race on Bear Trap.
- The top 5 male and female in each age group will be announced for each day's race.
- There will be no race scoreboard this year to discourage gatherings. Race times will be available via Live Timing and will Official Results will be emailed following the races.
- Due to COVID-19/USSA restrictions there will be no awards or awards ceremonies this year.

State points and Calculations

To determine the qualifying racers for the State Finals, points are awarded to competitors finishing in the top 15 for each race in their division. Points are calculated and added to each competitor's accumulative results after each race. The points will be calculated with 4 results, we will throw out the high and the low score of the 6 events skied and calculated to determine the state qualifiers, please know that this is different from years past. If in the event of a tie the tie will be broken with the calculation of all 6 events points.

| Place | Points | Place | Points | Place | Points |
|-----------------|--------|------------------|--------|------------------|--------|
| 1 st | 25 | 6 th | 10 | 11 th | 5 |
| 2 nd | 20 | 7 th | 9 | 12 th | 4 |
| 3 rd | 15 | 8 th | 8 | 13 th | 3 |
| 4 th | 12 | 9 th | 7 | 14 th | 2 |
| 5 th | 11 | 10 th | 6 | 15 th | 1 |

What your skiers need on race day (in addition to list on page 4)

Racers are required to be on time and prepared for the race day i.e., properly equipped and attired.

This includes:

- **BWL Race Bib** -We expect our BWL skiers to wear their BWL race bib every day of BWL. This very unique bib helps identify our skiers in case of emergency. Also, our sponsors have paid to have their names on these bibs and the exposure of the bibs being worn every day is part of our commitment to them. It is also imperative that racers wear their bib on race day as skiers race in bib order. **NO BIB, NO RACE!**
- **Race skis are welcomed but not mandatory.**
- **Facial Covering x 2**
- No broken, questionable or unsuitable equipment is permitted.
- Skiers must race with poles, which have straps.
- Clothing suitable for all weather conditions.
- Helmet
- No Go-Pro Cameras are allowed at BWL Races.

Race Day Etiquette

As was mentioned earlier in the handbook, there are many moving parts to running a race for 300 plus skiers. We've outlined below important information that allows for a smooth race operation. This information applies to racers, coaches, spectators and volunteers.

- **Racers** are required to wear this year's bib on race day. Any racer without their assigned current year bib at the race start will not be allowed to race.
- **Spectators** are always welcome to cheer on our BWL racers. For the safety of both our racers and the spectators, please stay within the designated spectator areas: outside of the finish area fencing, lower knoll of bear trap (away from the race course and behind the spectator fence) and outside the starting gate area.
- **COACHES DO NOT SKI THRU THE FINISH LINE!** Skiing thru the finish line can adversely affect a skier's finish time.
- **DO NOT SKI IN THE SNOWMOBILE LANE** (located on skier's left of Bear Trap). This lane is exclusively for the regular snowmobile traffic going up and down the slope. Skiers are not always visible to the snowmobile driver. Skiing in this area could lead to a terrible accident.

- PLEASE help the race crew by slipping the course when you ski down but PLEASE NEVER ski through the finish.

Code of Conduct-Skier

Each racer is expected to be a “Junior Ambassador” for the Buddy Werner League program and behave in a manner that will bring credit to the parents, coaches, Beaver Creek Resort and him/herself while skiing, training and racing. Participants should be considerate of the efforts put into providing the skiing and training facilities by the resort and volunteers. Racers must obey all skier safety rules while on the hill. Courteous and responsible behavior is required at all times including while eating in mountain restaurants. Skiers are expected to represent the league and our community in a responsible and positive manner at all times. Skiers with behavioral problems and/or who do not follow the rules of the resort or league will face appropriate disciplinary action by a coach or board member, which can include being sent home or expulsion from the program. Under no circumstances will a racer be entitled to receive a refund of program fees in the event of expulsion from the program. **Skies will wear facial covering at all times.**

Code of Conduct-Coaches

Coaches are expected to maintain the high standards upheld by the Buddy Werner League. No foul language, gestures or behavior will be tolerated. We expect coaches to treat their skiers, all other volunteers of the program as well as employees and representatives of the mountain with respect at all times. No smoking, alcohol or drug usage during the time with the children will be allowed.

If a coach has an issue with a child, another coach, or another volunteer within the program, it is expected that the issue will be brought to the board’s attention immediately for discussion. **Coaches will wear facial coverings at all times.**

SAFETY

Above all else, Buddy Werner League - Vail/Beaver Creek is concerned with the safety of our skiers. We will take the following precautions to ensure our skier’s safety:

- Coaches will discuss emergency procedures and precautions with skiers each morning before the first run. Pick a “safety” theme of the day.
- Children 8 and younger (or small children) will ride the chairlift with an adult. NO EXCEPTIONS!
- All skiers MUST wear helmets (2 year’s old or less) and we highly encourage our coaches and volunteers to wear a helmet as well.
- Sign in/sign out of skiers will be done by text this year.**

Emergency Procedures

In the event of an emergency, coaches and board members will follow the organization’s procedures as noted below. Coaches will review this information with their skiers on the first day **however we ask that parents also discuss “what if” situations with their children so that they are prepared in the event of an emergency.** At the beginning of the season, each child will be given an “important contact numbers” card that includes telephone numbers for Ski Patrol and Board members which can be attached to their season pass lanyard. Coaches will also add their contact information on the back. This year we will figure out a different way...

Sick Child

If a skier becomes sick during the day, a coach will escort the child to the BWL table. The coach or the volunteer on duty will contact the parent or guardian to notify them that the child needs to be picked up. If the child just needs to rest, coaches please check back after 1 run to see if they

would like to ski again. If they don't, the parents must be called to pick up the child. **BWL will have a Parent table in 20/21 in a tent in Race City, which is behind the Centennial Lift Building.**

Lost or Child is separated from their team

If a child is lost or separated from their team, the coach will immediately report the child to ski patrol, the BWL Info Table volunteer and a board member. The volunteer, ski patrol and Board member will continue to communicate until the child is found and returned to their team. The child should ski to the last lift he/she rode with their team and notify the Lift attendant that they were separated from their group and need to contact Ski Patrol. It is important to mention that all skiers are required to wear their BWL bib, as it will allow for easy identification.

Injury

In the event of a serious skier injury, please report first to BC Ski Patrol. Know your EXACT location and nature of the injury-please don't speculate. Once, ski patrol has been called, please call a board member from your "important contact numbers" card and the parents of the skier. One coach should stay with the child, and the other coach should ski the remaining team members down. If it's necessary for the skier to be taken down in a toboggan to the Medical Center, a BWL board member will meet the skier there with the Medical Authorization form. A coach or a BWL Board member must remain with the skier until a parent shows up. If a skier is taken down the mountain in a toboggan, they will not be allowed to ski for the rest of that day and a Doctor's release note must be provided before the skier can return to BWL.

Discipline

A child who is unwilling to follow the team plan may also be dropped off at the BWL Info Table to sit with the Table parent. This can be used to encourage an attitude adjustment. A coach must pick the skier up after one run or the skier must be picked up by their parents if they continue to be difficult.

Werner Wisdom Program

In addition to developing our skiers physically, the Werner Wisdom Program helps coaches to strengthen their skiers socially and morally as well. Buddy Werner was well known by his peers for having many positive qualities and we feel that it is our job to instill these as well. Each non-race week coaches will be given a Werner Wisdom topic in the weekly e-mail with a few fun facts to share with your team. PLEASE use this to help enhance your skiers BWL experience and to bring about more meaningful conversation within your group. These are also great to add in the e-mails to parents so they know you the topics you are reflecting on each week. At the end of the season, the BWL Board will award one skier (nominated by their coach) and one Coach (nominated by parents) as the Werner Wisdom Winners.

Awards Banquet

Typically the BWL Awards Banquet is a thoughtful close to our season but due to COVID-19, BWL is not allowed to host this event. There is the chance of still honoring our skiers with awards and announcing them online.

Buddy Werner League Contact Information

The BWL Board of Directors works in cooperation with Beaver Creek Ski Resort to organize, support and manage the BWL program and its events. The purpose of the board is to provide a recreational ski program that is both affordable and fun for experienced skiers in grades 2nd thru 8th. The board's responsibilities include managing the organization's operations, events, property and affairs; to maintain financials, prepare and oversee an annual budget; to review policies and procedures and to the best of their ability maintain good communications with all participants, their families and sponsors who support BWL.

Board members welcome your positive feedback and comments on the program and are available to speak to in person each contact (day) morning and afternoon after teams have departed and/or participants have been picked up. You can also send an e-mail to the board at bwl.vailbc@gmail.com and a board member will respond to you via e-mail or phone call.
